## OPENING DAY

Tentatively, Calverton School students and parents are invited to attend Opening Day on Monday, August 30. Please plan on attending this event. This is an opportunity to hear from Division Heads and classroom teachers about what to expect for this upcoming year. Details of in-person or virtual sessions will be communicated as we get closer to the event date.

## UNIFORMS AND SUPPLIES

3K & 4K students are not required to wear the Calverton School uniform. Students do need to wear shoes that they can put on and take off independently. Please have your child wear shoes that do not have laces.

Every student will need to have rain boots to keep at school. Students will also need to have a raincoat that can be brought to and from school for any possible rainy-day adventures.

Student supplies are listed on our Calverton webpage under Academics - Lower School - Summer Work. Supply Packs can be ordered online through the link provided on the supply list page. Please have students drop off school supplies on Opening Day or bring them on their first day of class.

Full Day Students: Personalized nap mats are required for new Pre-K students. Nap mats can be ordered at the link below. All nap mats are **required** to have the *front pocket* monogram option. Please embroider your child's first name. It is important that names are embroidered on the front pocket of the mat to avoid confusion and keep germs at bay.
