

IB 2 Visual Arts Summer Work
Mrs Brower bbrower@calvertonschool.org

Please review the entire schedule for next year and put these dates into your planner.

This is your summer work.

September 6th – 9 completed pages for the Process Portfolio are due when you return in September. You should have 6 done already. Just add to the ones you have finished, document any project you have been working on, or artists that inspire you as you are creating.

September 6th- You must have 5 completed IB art theme pieces finished at this point. This includes your self portrait. Most likely you will end the school year with 4 completed pieces leaving one to do for the summer.

September 13th – Initial selection of artists and artworks for Comparative Study has been completed. Please have a rough draft of your CS by Sept 6. Use the CS Template on our shared drive in the CS support file. See examples on our shared drive as well as a reliable sources list. We will plan a museum visit in July to select your art and artists.

September 13th- Plans for two more Art Theme pieces due. Go over with Mrs Brower for approval to start.

Please contact me during the summer if you need advice or help. I will be checking my school email.

Happy summer!!
Mrs Brower
