

Design Tech Year 2 Summer Work

Review all of the non-HL sections

<https://sites.google.com/lisluanda.com/dp-design-technology-new/course-content>

Brainstorm ideas for your design project. Come up with at least three problems that you would like to address, things that you see are designed poorly and you would like to improve. Read the advice carefully and consider the sample topics provided. Remember to record your ideas.

Please contact Ms. Chapin with any questions: lchapin@calvertonschool.org

Have a great summer!
