

THE
CALVERTON
SCHOOL

Middle School Supply List (8th Grade) 2026-2027

Laptop: All students are expected to have a functional laptop with a charger; PC highly preferred; Chromebooks and tablets are not because they rely on web apps and cannot download Office365. A basic run-of-the-mill computer with WiFi capabilities is fine.

Calverton will provide a subscription to Microsoft Office 365.

Laptop Case: Because students do not carry backpacks during the school day, a padded laptop bag or a computer case is highly advisable.

For students in Algebra 1 and above - Graphing calculator: TI-84 Plus CE (color graphing calculator) is recommended. If students have access to a hand-me-down graphing calculator, it should be some version of TI-83 or TI-84. (Write name in Sharpie)

Supplies:

Pencils

Black or blue pens

Erasers

Highlighters: blue, pink, yellow

Colored pencils

Ruler

One 3-subject spiral notebook
