Grade 1

Parents,

Between the first and the last few pages, there are 3 activities that repeat themselves - My Favorite Character, The Setting, and My Favorite Part. Each of these pages are meant to be done using different books for each page. Please choose, or have your child choose a book to read together. Then, fill out one of those pages about a character, the setting or your child's favorite part. We hope that throughout the summer, your child will have a wonderful experience with books!
