

Dear Rising Fifth Grade Families,

I am so excited to work with your child in 5<sup>th</sup> grade next year! Summer can be very busy with camps, vacations, and other events going on, so to prevent the “summer slide” please have your child work on the math and comprehension packet periodically over summer. As a reminder, all summer work is graded for completion and is due on the first day of school.

The written book report that students complete over the summer will be used in class during the first few weeks of school. We will be editing and revising their work together to have a model book report that students will be able to use as they complete others throughout the school year.

If you have any questions about the summer assignments, please don't hesitate to reach out to me at [ozinn@calvertonschool.org](mailto:ozinn@calvertonschool.org).

Enjoy your summer!

Ms. Zinn
