

THE CALVERTON SCHOOL

---

# PHILANTHROPY REPORT 2022-23

Dear Calverton Families and Friends,

We look to the future with great faith and hope in our school community. This is in no small part due to the continued generosity of each member of our community. Whether you are volunteering at an Open House, leading Middle School electives or Model UN, planning classroom parties in the Lower School, or committing to donations for our annual fund, we would not be the strong community that we are without your contributions. We are grateful for every volunteer hour on campus and every dollar you may spend toward our annual fund.

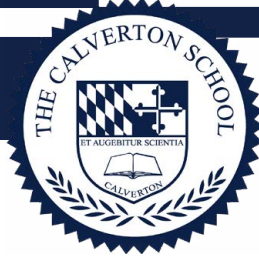

The Calverton Fund is our annual fund that, along with our tuition dollars, strengthens student academics and programming, athletics, and the arts. It enables us to provide opportunities that help our students feel confident to take risks at a Coffee House by playing a new instrument and expands staff professional development opportunities. Your donation makes the Calverton experience possible for all students and accessible to even more students who may not otherwise have the opportunity to join us. Your giving maintains our beautiful campus and helps our students and staff thrive. We look to the 2023-24 school year with excitement and optimism for the future of our school.

I am honored to lead Calverton this school year and am invigorated by all that my colleagues do in the name of students and Calverton every day. I am eager to see all that our students will do on the fields, in the theater and classrooms, and as they represent Calverton on trips away from campus. We are all lucky to share these experiences with our students as they grow into responsible citizens.

With sincere gratitude,

Allison Trentman, '03  
Interim Head of School

Dear Calverton School Community,

Today, I write in gratitude: proud of our accomplishments, confident in our ability to thrive moving forward, and inspired by the extraordinary students, faculty, staff, alumni, families, and friends that make up the Calverton Community.

As you will see from the pages of this report, the generosity of this community over the past year was extraordinary. With tuition covering approximately 85% of Calverton's operating budget, we depend on philanthropy and other external funding sources to fund the remaining 15%. This philanthropic support allows our over 300 students to learn in our beautiful academic facilities, to play on first-class fields, and to benefit from the local community through field trips and service-learning opportunities.

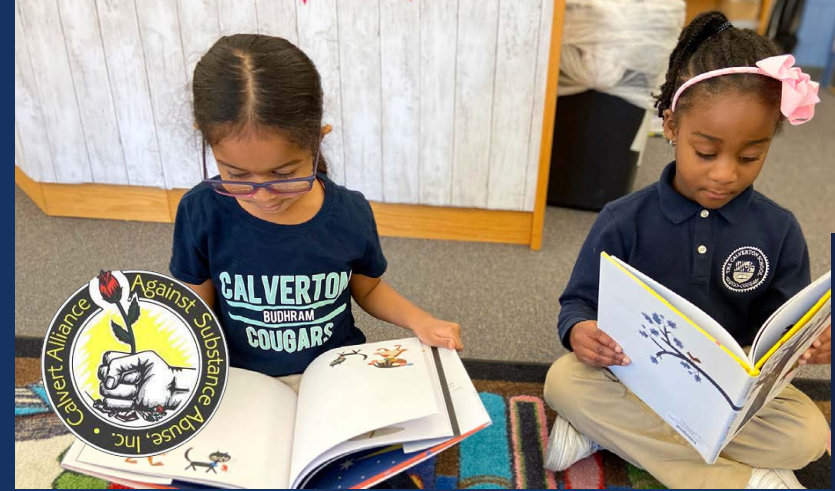

For Calverton to continue to attract and retain the best educators, we need to continue to make investments in their training and provide opportunities for professional development. Through the generosity of this community, we were able to realize that goal and offer two days of training for the entire teaching staff in advance of the 2023-2024 academic year from the Center for Transformative Teaching and Learning. We will continue to focus on professional development and the continued support of an inclusive workplace.

As we look ahead, I hope you will continue to support Calverton. Your donation or sponsorship will help provide the funds necessary to continue to provide financial aid and merit scholarships to deserving students and to support our excellent teachers and staff with ongoing learning opportunities and professional development.

Thank you so much for standing with the Calverton School through last year, and we look forward to partnering with you toward our shared mission for many years to come.

Sincerely,

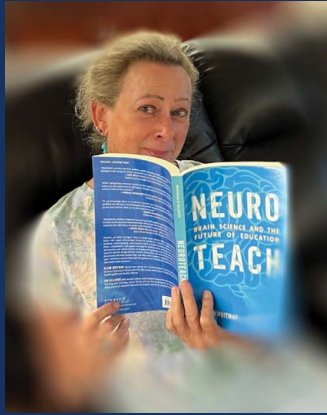

Danielle Lico  
President, Board of Trustees

## CALVERT ALLIANCE AGAINST SUBSTANCE ABUSE (CAASA) GRANT

The CAASA grant allowed our library to grow with new books that directly relate to our leadership program. Students and teachers have access to books that connect to our leadership themes, cultural awareness, and diversity. Students can explore the books during library classes and also have the opportunity to check them out. Teachers use the books for instructional purposes for curriculum, awareness of the world around us, connecting to students, and as a step in building strong, healthy, positive leaders in our students.

## CENTER FOR TRANSFORMATIVE TEACHING AND LEARNING (CTTL)

Thanks to the generosity of our Calverton community, we can take part in the CTTL program. The Center for Transformative Teaching and Learning provides a range of professional learning and consulting opportunities for teachers, students, school leaders, and policymakers. Each dynamic workshop and partnership focuses on translating promising Mind, Brain, and Education Science of Learning research to help teachers and school leaders rethink the design of schools, and classrooms, and work with each individual student.

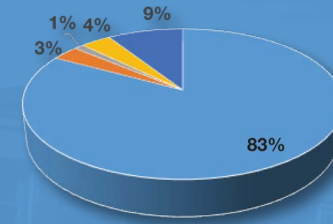

THE CENTER *for* TRANSFORMATIVE  
TEACHING & LEARNING™

## THE CALVERTON SCHOOL REVENUE AND EXPENSES FOR FY23

### Revenue

Tuition	\$ 6,358,243
Annual Giving and Auction	\$ 242,814

## THANK YOU TO OUR CALVERTON SCHOOL SUPPORTERS

The Calverton School Annual Fund raised \$269,324 from 311 donors who made gifts or supported our Calverton Classic Golf Tournament, or Auction. \$1,362,364 was raised for restricted funds including academic enhancement, athletics, Calverton Parent Association, and scholarships. The following is a list of all donors from July 1, 2022, to June 30, 2023. We make our best efforts to be as accurate as possible, but if any omissions or errors have occurred, please accept our apology, and notify us for future publications. Every gift of any size is appreciated and taken as a vote of confidence in the future of The Calverton School.

*“Calverton students’ respect, trust, and values towards each other revolve around our Philosophy of Honor. Agreeing to ‘uphold integrity, trust, and civility’ allows us as students to form a tight-knit and family-like atmosphere with one another. Calverton allows us to feel comfort in expressing ourselves and helps us achieve our objectives.*

*Overall, Calverton has provided me with a multitude of opportunities and resources since I first shook hands at the school’s front door to start my morning. I am incredibly thankful for everything that has been done for me as a Calverton Cougar. The experiences, bonds with friends, and education supported by Calverton continue to help instill confidence and aspiration in me.”*
