## OPEN HOUSE AT THE CALVERTON SCHOOL

**HUNTINGTOWN, MD (SEPTEMBER 21, 2022)** – The Calverton School's fall Admission Open House is scheduled for Saturday, October 15, 2022, from 10 am until noon. Prospective students and families are invited to discover what makes The Calverton School unique including the diverse student body, small class sizes, highly qualified teachers, and its beautiful 160-acre campus.

As the only accredited nonsectarian independent school in Southern Maryland, Calverton is wonderfully situated between the Patuxent River and the Chesapeake Bay. Located less than an hour from DC, Annapolis, and Northern VA, Calverton students come from five counties while an on-campus residential program draws students from around the world. Calverton is not just a school; it is a supportive and inclusive community where students are encouraged to take risks as learners, leaders, and difference-makers.

Serving students from Pre-kindergarten to 12th grade, Calverton provides a challenging and well-rounded program in a supportive environment that promotes honesty, tolerance, respect, and responsibility. Calverton graduates are prepared to enter college and the world beyond as lifelong learners, responsible members of society, stewards of the environment, and informed citizens of the world.

"Having spent 13 years at Calverton, I can say with confidence that the faculty, staff, and advisors have supported me through every step of my academic career. They provided me with a foundation of nurturing, support, and guidance that I will carry with me through college and medical school," Neelam Shah, 2022 Class Valedictorian.

Open House activities include a student-led tour of our campus, and opportunities to speak with faculty, administrators, students, coaches, and current parents. Faculty members from all departments will be on hand to answer questions about academics, including the International Baccalaureate Programme, visual and performing arts, athletic programs, and campus life.
